

and Trailer Repair

Winterization Specials

All Winterizations Include:

- Blowing Out Fresh Water System
- Pressurized Air Check of Water System (for leaks)
- Filling Lines, P-traps, etc with Antifreeze
- All Drains Checked

Basic Winterization \$134.⁰⁰ (+ tax)

- Up to 2 gal antifreeze included

Plus1 Winterization \$159.⁰⁰ (+tax)

- Up to 2 gal antifreeze 1 water accessory included

Premier Winterization \$213.⁵⁰ (+ tax)

- Up to 3 gal antifreeze and up to 3 water accessories included, plus 5-point Winter Readiness Check

Additional Water Accessories: \$25.00 each.

Water Accessories include:

Ice Makers

- Washers & Dryers
- Filtration Systems
- Outside Showers
- etc

Additional Antifreeze: \$4.50/gal

Winter Readiness Check Includes:

- Battery Check and Load Test
 - Roof Sealant Inspection
 - Sidewall Inspection
- Moldings/doors/window sealant inspection
- Lug Nut Torque (Trailers only)
Any needed repairs can be addressed at normal billing rate of \$125/hr.

Note: All water must be drained from the fresh water tank. Customers will need to empty holding tanks again following winterization, since there is not enough antifreeze in holding tanks to prevent freezing.
